- Non-Operating Working Interest Owners
- Mineral Owners
- Banks and Financial Institutions
- Private Equity Firms
- Midstream Companies
- Buyers and Sellers
- Legal Teams
- Family Offices
- O&G Investors
- CCUS Companies
- Rare Earth Mineral Companies

TECHNICAL CAPABILITIES

Databases:

- PHDWin
- Aries
- ComboCurve
- Sequel

Data Subscriptions:

- Enverus with 4D Spacing
- IHS
- TGS Longbow

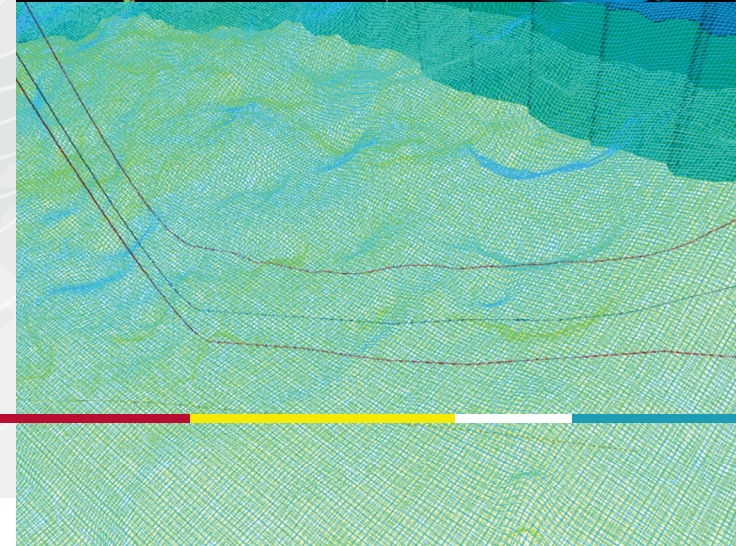

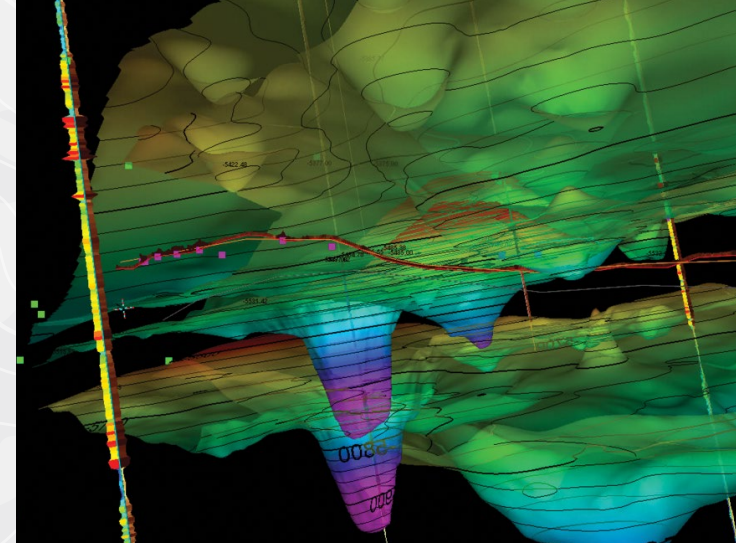

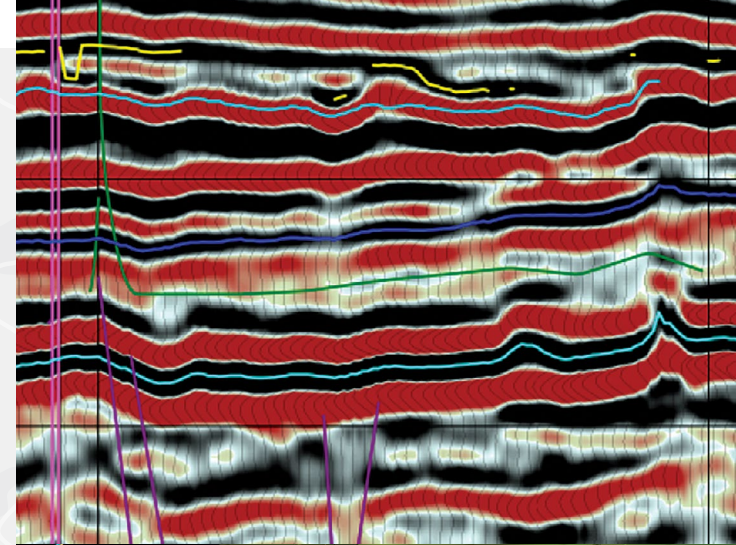

Geologic, Modeling & Mapping:

- Petrel
- Petra
- GeoGraphix
- PowerLog
- Kingdom
- ArcGIS

Simulation & Analytics:

- Merlin
- Harmony
- CMG
- Eclipse
- Spotfire

Haas & Cobb works within the same software systems you use, ensuring continuity of technical information and improved efficiency in delivering to you.

THE HAAS & COBB DIFFERENCE

SERVICE

We are a boutique team with focus on providing a quality experience to the clients we serve.

RESULTS

We stand ready to defend our engineering to all parties. If it isn't right. It isn't good.

TRANSPARENCY

We support our conclusions with documentation and dialogue at every step.

I need a reputable firm.

The Haas Engineering & W.M. Cobb & Associates brands have been approved & trusted by lenders and regulatory agencies for more than 40 years.

My needs are diverse and unique.

Haas & Cobb offers a comprehensive menu of engineering and geologic services to support your technical team.

I need a firm with experience in my basin.

Haas & Cobb supports hundreds of clients per year and has vast experience in all key basins.

I'm not satisfied with my current firm.

It's never too late to find a firm that aligns with you. Switching is easy.

LET'S CONNECT

PROCEED WITH CONFIDENCE

To schedule a time to speak with one of our professionals please call us at **972-385-0354** or email us at *info@haasandcobb.com*.

We look forward to adding value to your team and helping your project move forward.

With confidence.
